HIBERNIANS.

What They Have Been Doing the Past Week—General News Notes.

Seven of the Boston Board of Aldermen are members of the order.

Ground will be broken for the new Hibernian hall at Springfield, Mass., early in the spring.

The hall committee of Division 4 will make a report on several sites at their next meeting.

The Ladies' Auxiliary is encouraged over the prospects for the euchar to be given at Schreiber's Hall.

Prominent members have undertaken the organization of a Hibernian military company at Holyoke, Mass.

Those who would secure choice of seats for the lecture on February 17 should call at once at Mulloy's tea store.

A monster class initiation will be held next month in New Haven, Conn., where the order has now over 1,400 members.

Division 3 has an able and efficient officer in their Recording Secretary, John P. Morris, who has had past experience in this position.

Division 4 of Minneapolis will have a banner presentation on February 12, to which all divisions and Ladies' Auxiliaries have been invited.

After disposing of the St. Patrick's day entertainment, the County Board will take up the question of an outing or field day for mid-summer.

National President Cummings will make a Western tour of two weeks in July, addressing the Hibernians in the various States at open meetings.

All communications intended for Financial Secretary Cusick, of Division 1, should hereafter be addressed to him at the Court House. They will then receive prompt attention.

Dan McKenna, the genial Vice President of Division 2, will run Con Ford a close race in securing new members. They had the majority of candidates at Sunday's initiation.

The members of Division 4 of Minneapolis, rested after their work during 1906, promise to raise the membership of the division to the 50 mark before the present year comes to a close.

In New Haven, Conn., the several Presidents form what is termed a City Board. Meetings are held quarterly, and the efficient condition of the order there is in great measure due to the excellent work of this board.

What promises to be one of the staunchest divisions of the Ladies' Auxiliary has just been organized in St. Paul. The new body, known as Division 8, will meet in Hibernian Hall, and next Monday night will begin with a house warming.

St. Patrick's day will be celebrated in Holyoke, Mass., as the city fathers are joining with the local officers of the order in arranging a suitable celebration. The public schools will have special exercises by the pupils of the various grades and instructive entertainments will be held.

Division 3 of Syracuse has formed classes for increasing the membership, prizes being offered the class bringing in the largest number and an individual prize for the member doing likewise. The defeated class must defray the expenses of a banquet on St. Patrick's night.

Division 3 of Rome, N. Y., has under way a plan for the formation of an athletic association, to be made up entirely of members of the order. The hall will be transformed into a gymnasium with all modern apparatus, to which will be added a card room, reading room and billiard room.

Division 2 is the only one that meets next week, therefore President Con Ford invites all members to be with them Friday night. This division has been doing commendable work during the winter months, as the reports will show. Here all visitors find a hearty welcome and learn much that is of interest.

The National Board having approved of the holding of a Hibernian day at the Jamestown Exposition next year, providing the managers place the day under absolute control of the board as to the ceremonies, etc., the State officers of Virginia invited the State officers of the order in Maryland to visit Norfolk and confer regarding the proposed national day. It is proposed to go over the Exposition grounds and decide upon some important points concerning the celebration.

Following its annual custom, the Society of the Friendly Sons of St. Patrick of New York has forwarded checks for \$100 each to the following charitable institutions: The Mission of Our Lady of the Rosary, the St. Vincent de Paul Society, St. Vincent's Hospital, the Presbyterian Hospital, St. Francis' Hospital, Little Sisters of the Poor, St. Joseph's Hospital, the Dominican Sisters of the Sick Poor, St. John's Guild and the Sanatorium Gabriels at Gabriels, N. Y.

James W. Connor, the well known building contractor, was on Wednesday awarded the contract for the City Hall annex, for building which he will receive \$164,051. There were five other bidders, but Connor's was the best. Work will commence at once and the building will be erected under the direction of Architect Curtin. Since the award was made it has been discovered that there was an error in the bond and that all bids would be rejected and the contract relet.

Next Thursday afternoon and evening the ladies of Highland Park will entertain the friends of Rev. Father Fitzgerald and St. Leo's church with a euchar and coffee social, and invite the general public to be with them. As the euchar will

take place in the school house and the coffee social in the parochial residence adjoining, there will be ample room for a large gathering, and for all an enjoyable time is assured.

John Cullinan, M. P. for South Tipperary, is lying seriously ill at his residence, at Banish, County Tipperary, suffering from pneumonia.

Patrick Smyth, J. Farrell and J. Coleman are seeking reelection to the Castleblaney Urban Council. One new aspirant, John Duffy, feels sanguine of defeating one of the three.

Reports from all parts of Ireland indicate that the snowstorm was the heaviest experienced for years. Train services were everywhere delayed and telegraphic communication interrupted.

William Wagner, a plasterer aged thirty, was found in a dying state lying in the snow at Thurles railway station. He was promptly removed to the station waiting room, where he died. When picked up his limbs were frozen. Deceased was a native of Thomastown, County Tipperary.

A young man thought to be Peter Reilly, of Kingscourt, County Cavan, while returning to his father's place from Birkenhead, where he had for some time been working, either fell or jumped overboard and was drowned while the steamer was about twenty-five miles off Carlingford light-house.

The death occurred of Dr. T. G. O'Sullivan, William street, Limerick, after a protracted illness. He was a member of the Corporation for many years, and was Mayor of Limerick in 1881. Dr. O'Sullivan was most charitable disposed, and gave free advice to the poor, also contributing generously to all collections for charitable purposes. Deep sympathy is felt for his family in their sad bereavement.
